Dear Comrade,

We invite you to remember and honor a Veteran by purchasing a commemorative brick to be embedded in the landscape of the Charles F. Hamblen, American Legion Post 37. This is a historically significant building which is located at the gateway of the Historic Downtown St. Augustine.

The 4" x 8" engraved brick will last a lifetime and allow your veteran to be remembered and honored by those who visit our Post. Funds from this project will be used for maintenance and restoration of the facility in preparation of the 450th Birthday of St. Augustine.

Please use the form below to specify how your brick is to be engraved. (15-18 characters per line up to 3 lines) then mail the letter to the address in the letterhead. Make your check of \$50.00 payable to the Charles F. Hamblen American Legion Post 37 Building Fund.
